# Get Library eBooks and eAudiobooks with the Libby App

Available on Apple devices and Android devices that use the Google Play Store. (Kindle users must use OverDrive app).

1 Search for "Libby" in your device's app store (Android, Apple, Google Play, etc.). Download the free **Libby, by Overdrive** app.

2 Open the Libby app. Tap "**Hi"**, then scroll through the welcome information on the next screen. Tap "**Find My Library**". Libby uses your internet connection to locate your library. If it finds your correct library (Pauline Haass Public Library) select "Yes". If you are out of range when you download the app, tap "No, I'll search for a library" and search for "Pauline Haass" in the search box (watch out for Auto Correct!) and tap "**Go**". Select the result that says "**Bridges Library System—Pauline Haass".**
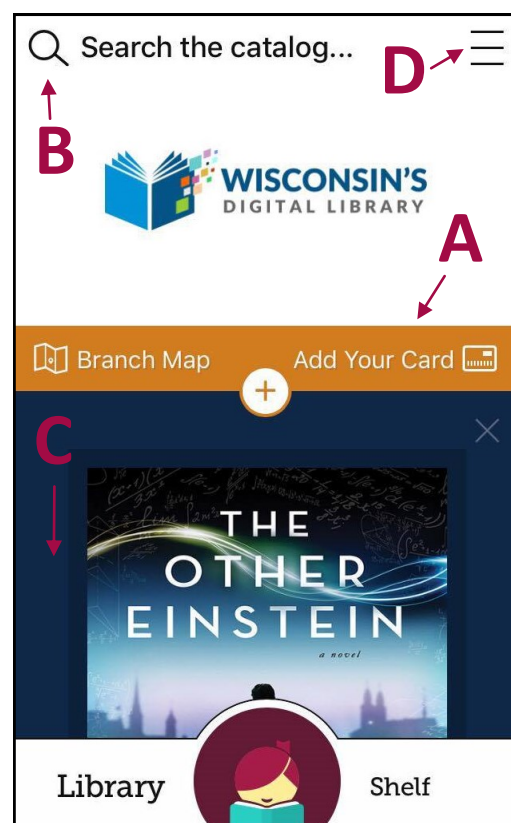

3 The Libby homepage for the Wisconsin Digital Library will appear. Tap "**Add Your Card**" (**A**) to sign in. Select "**Bridges Library System**" from the list. Then enter your CAFE library card number and PIN/password (for most cardholders, this is your date of birth in one of the following formats: MM/DD/YYYY or MMDDYYYY). Tap "**Sign In".**

4 **Search** for a specific title or author in the search box (**B**) or **browse** featured collections and popular genres by scrolling down (**C**) .

5 When you find an item, tap on the cover to learn more about the title. If the title is unavailable, tap **"Place a hold"** and Libby will alert you when it is yours. If it is available, tap **"Borrow"** to check it out. Confirm the borrowing period and tap "Borrow" to complete checkout.

6 Tap **"Open Book"** to begin reading, **"Go to Shelf"** to view all your checkouts, or **"Keep Browsing"** to look for more items to check out. *Note: Your title will automatically download.
